

## Team Salhouse report to Salhouse Parish Council meeting 11<sup>th</sup> November 2024

Since our last report to Parish Council in August, Team Salhouse volunteers are continuing to work around the village.

- The flower beds around the village will be cleared of unwanted plants, tidied up and replanted this month.
- Litter picking has continued on an individual basis.
- Dog mess around the village is still causing some concern to residents and the subject has been addressed in the Team Salhouse article in the Summer Saga magazine together with an email, ([team.salhouse@gmail.com](mailto:team.salhouse@gmail.com)), which may be used to report fouling. There have been no reports since the Saga was published but on 4<sup>th</sup> November there was an instance of dog fouling, close to the Jubilee Hall, posted on the “Salhouse Rackheath and surrounding villages Notice Board” Facebook site. A resident then reported it to Team Salhouse via email on 5<sup>th</sup> November and it was cleared within a few minutes. The removal of the fouling was reported on the Facebook post but there has been no comment left by the “anonymous” originator.

Team Salhouse,  
“Proud of our Village”
