

**Team Salhouse report to Salhouse Parish Council meeting
20th May 2024**

Since our last report to Parish Council in April, Team Salhouse volunteers are continuing to work around the village.

- The newly planted flower beds are receiving occasional attention and we are hoping to put more drought resistant plants in this year starting in June.
- Litter picking has continued on an individual basis.
- The mild and relatively wet winter has left the grass verges quite soft and we would urge drivers to try and avoid parking on them, especially close to the school, as the grass is easily damaged and the mud left behind could cause pedestrians to slip as well as becoming an eyesore.

Team Salhouse,
"Proud of our Village"
